

Uploading a Syllabus

The link to upload your syllabus can be found in your MyASU. When you roll the cursor over the grayed out S+ icon you will see the words “No syllabus added. Upload syllabus now”.

When you click on the link you will see:

From here you can click on the “Browse” button to select the file from your computer. Once the file is listed, you can click on the “upload” button to load it into the system. It will appear on the class schedule the next day so don’t expect to see it right away.
